SO. NORWALK / CONN.

Dear Mr. Weisberg:

I am very interested on your book
entitled, "White Wash".

Since I saw and heard you in
Alan Burke's TV-Programm I am
very, very eager to read that book
as soon as possible.

In my vacation in West-Germany
I would like to discuss your findings
with my former detective-colleagues.
Send me please one edition with
your autograph.

I enclose \$ 3 in cash. If not
enough, send it please via
C. O. D. to your earliest convenience.

Finally I congratulate you for that
courage and diligence. I feel, that
every citizen who loves his country
should study your book, and all
the friends of the Americans in the
whole world, will thank you for
that scientific investigation.

Very truly yours Andrew Patton
